

Score Sheet Review Process for In-Person Events

In an effort to address any scoring questions/issues prior to the session being completed, we have come up with the following process.

- I. Entire Score Sheets will be emailed out 15 minutes after you perform via our Reg Champ system to any coach associated with said team that has an email address added to their profile within Reg Champ.
- II. Within **10** minutes of receiving your scoresheets, should you have any questions regarding difficulty scores and/or Safety/Deductions, you can complete the Score Sheet Review Form by click this link: [Spirit Extreme - Score Sheet Review Form](#)
- III. Once the judges review the request form, they will either make appropriate scoring changes or not but they will inform you of the decision via email.
- IV. Should you have further questions that need to be addressed face to face, you will have time to do so prior to awards. This time will be noted on each events schedule.
- V. When the review has been completed, should an updated be made to your score sheet, a revised score sheet will be emailed.
